

Remarks

In the above-mentioned Final Rejection, all of the claims were allowed except 267, 268, 284, 286 and 289-291 which were rejected over Klein, and claims 285, 287 and 288 which were objected to.

In response thereto, claims 284-291 are cancelled and new claims 295-306 are added.

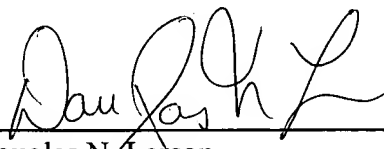

New independent claims 295 and 300 are simply old allowable dependent claims 285 and 287, respectively, rewritten in independent format.

The rejections of independent claims 267 and 268 as anticipated by Klein are respectfully traversed. Both claims include the back side surface of the facestock sheet forming back side surfaces of the printable business cards. In contrast, Klein shows in FIGS. 4 and 6, for example, that those surfaces are formed by the liner sheets 90.

Accordingly, issuance of the Notice of Allowability at an early date is in order and is respectfully requested. If there are any remaining issues, the Examiner is encouraged to telephone counsel to seek to resolve them.

Respectfully submitted,

Date: January 3, 2002
